- 2021 “Can We Run Away From Environmental Problems?: Outer Space and the Environment in Recent History,” Presented to Nicky Rehnberg’s Environmental Studies 1, UCSB
- 2020 “Nuclear Testing, Technology, and the Environment,” Presented to Eric Fenrich’s History 17C, UCSB

## **TEACHING EXPERIENCE**

### **Instructor of Record**

Chasing the Cosmos: A Dive into Space Exploration and its Legacies for the Future (Summer 2023)

### **Teaching Assistant**

#### **University of California, Santa Barbara**

Ethics in Engineering (Fall 2022-Winter 2026)  
Critical Intelligence: Informing the Public in the Digital Age (Summer 2022)  
Science and the Modern World (Winter 2020, Winter 2021, Spring 2022)  
Introduction to the History of Latin America (Winter 2022)  
World History, 1700-Present (Fall 2021)  
Introduction to Environmental Studies (Fall 2020, Summer 2021)  
Introduction to the Social and Cultural Environment (Spring 2021)  
U.S. History: World War I to Present (Spring 2020)  
American Legal and Constitutional History (Fall 2019)

#### **University of Nevada, Las Vegas**

Empires and Constitutions (Fall 2017)

## **SERVICE**

### **Service to Profession**

2019 Registration Volunteer, American Society for Environmental History  
2017 Registration Volunteer, American Society of Legal History

### **Department and University Service**

2022-24 Graduate Student Representative to the Graduate Studies Committee, UCSB Department of History  
2020-21 Treasurer, History Graduate Student Association, UCSB Department of History  
2017 Digital Coordinator, Phi Alpha Theta-Psi Sigma National History Honor Society

## **PROFESSIONAL MEMBERSHIP**
